

src/MemBuf.cpp

```
graph TD; A[src/MemBuf.cpp] --> B[iostream]; A --> C[cstdlib]; A --> D[cstring]; A --> E[MemBuf.h];
```

A dependency diagram with a central node at the top labeled 'src/MemBuf.cpp' in a gray box. Four dark blue arrows point downwards from this node to four separate white boxes below. From left to right, these boxes are labeled 'iostream', 'cstdlib', 'cstring', and 'MemBuf.h'. The 'MemBuf.h' box has a thicker black border compared to the others.

iostream

cstdlib
