Subject 1x- Test 3

I HAD A FRACTURE IN THE MIDDLE FINGER OF MY LEFT HAND. OH!

Six years ago in my farm I was playing with the coffee machine and as I didn't know the dangers I had a fracture in the middle finger of my left hand, my parents took me Bogotá because I needed x-rays to look if I could had fracture in my left hand. The doctor attend me as soon as possible and with a surgery he put one nail in the broken finger and it was retired after fifteen days. After two years I hurted with the door of my house the same broken finger, it became red colored and very inflamed, two weeks ago I talked with my parents and we went to the doctor and he needed to make me three surgeries and various therapies, in the last surgery he needed to take a piece of bone of my waist and put it in my finger as part of it, I couldn't walk for 3 weeks and with the power of god I got better.
